EDUCATION

Master of Library and Information Science May 2026

Pratt Institute, New York, NY

Bachelor of Science in Information May 2022

University of Michigan, Ann Arbor, MI | Focus: UX Research & Design | Minor: Film & Global Media Studies | GPA: 3.92

EXPERIENCE

Creative Tech Resident

May 2026–present

The GIANT Room, New York, NY

- Facilitate after-school creative technology programming for K–12 youth at a makerspace and innovation hub
- Co-design hands-on workshops integrating digital and physical making across analog and digital media
- Collaborate with program staff to develop and iterate on curriculum for diverse learner groups

Library Fellow

Sep 2025–May 2026

The Museum of Modern Art, New York, NY

- Supported reference services, collection development, and acquisitions; conducted backlog appraisal and metadata remediation to improve access to art and architecture resources
- Developed a Dadaist LibGuide integrating primary sources, including microfilm periodicals without finding aids, by applying descriptive frameworks and surfacing materials across MoMA's institutional collections with researchers in mind
- Contributed to collection strategy by analyzing holdings across format types including artists' books, ephemera, microfilm, and institutional archival records

Research Assistant, Semantic Lab

Jan 2025–May 2026

Pratt Institute, New York, NY

- Built linked open data for the E.A.T. (Experiments in Art and Technology) Knowledge Graph using Wikibase, modeling entities and relationships across archival collections
- Researched engineers and artists listed on E.A.T. punch cards, applying LCNAF and Getty Vocabularies to resolve ambiguities and ensure record consistency and interoperability
- Reviewed and quality-checked automated and GenAI-assisted entity matching outputs against primary sources and authoritative files; contributed to schema and workflow documentation

Graduate Teaching Assistant

Jan 2025–May 2026

Pratt Institute, New York, NY

- Co-taught Knowledge Organization and Art Documentation; designed cataloging exercises using MARC/RDA standards and led demonstrations in OCLC Connexion, RDA Toolkit, and Wikidata
- Provided one-on-one student guidance; maintained course pages in Canvas and supported lecture delivery across three semesters

Research and Access Graduate Assistant

Aug 2024–Jan 2025

Pratt Institute Libraries, New York, NY

- Provided reference services to patrons in person, by phone, email, and chat; assisted students and staff with research exploration and resource location
- Planned and developed three library exhibits (Magical Realism, Cyberfeminism, Cult/Camp/Exploitation Cinema) with supplemental materials; supported circulation operations

Project Manager Associate

Oct 2022–Aug 2025

Workit Health, Remote

- Conducted user research and acceptance testing to diagnose issues in a telehealth app; wrote reports combining data analysis and user journeys to present solutions to stakeholders
- Managed integration of a third-party EHR using Agile processes in Jira, coordinating across development and business teams and overseeing bug tracking and workflow documentation

English Language and Culture Assistant

Oct 2022–May 2024

Ministry of Education, Spain

- Assisted English teachers at primary schools in Cartagena and Alicante; prepared presentations and supplemental materials for classrooms of 6–12-year-olds

Data Analytics Engineering Intern

Jun–Aug 2021

ViacomCBS

- Built a real-time dashboard and integrated an alert system in Tableau; conducted stakeholder interviews and usability evaluations to identify requirements and improve data quality monitoring

Building and Data Manager

Jan–Aug 2022

University of Michigan Alumni Association, Ann Arbor, MI

- Organized and managed archival university materials dating to 1845, including alumni magazines, newsletters, and yearbooks; assisted guests with an interactive alumni database
